Independent auditors' report on review of condensed interim financial information

To the Board of Directors
Delmon Poultry Company B.S.C.
Kingdom of Bahrain

Introduction

We have reviewed the accompanying 31 March 2026 condensed interim financial information of Delmon Poultry Company B.S.C. (the "Company"), which comprises:

- the condensed statement of financial position as at 31 March 2026;
- the condensed statement of profit or loss for the three-month period ended 31 March 2026;
- the condensed statement of comprehensive income for the three-month period ended 31 March 2026;
- the condensed statement of changes in equity for the three-month period ended 31 March 2026;
- the condensed statement of cash flows for the three-month period ended 31 March 2026; and
- notes to the condensed interim financial information.

The Board of Directors of the Company is responsible for the preparation and presentation of this condensed interim financial information in accordance with IAS 34, 'Interim Financial Reporting'. Our responsibility is to express a conclusion on this condensed interim financial information based on our review.

Scope of Review

We conducted our review in accordance with the International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying 31 March 2026 condensed interim financial information is not prepared, in all material respects, in accordance with IAS 34, 'Interim Financial Reporting'.

Other Matter

The financial statements of the Company as at and for the year ended 31 December 2025, were audited by another auditor who expressed an unmodified opinion on those statements on 17 February 2025. The condensed interim financial statements of the Company as at and for the three months period ended 31 March 2025, were reviewed by the same auditor who expressed an unmodified conclusion on those condensed interim financial statements on 14 May 2025.

2 BASIS OF ACCOUNTING AND MEASUREMENT

This condensed interim financial information has been prepared in accordance with IAS 34, "Interim Financial Reporting", and should be read in conjunction with the Company's last annual financial statements as at and for the year ended 31 December 2025 ("last annual financial statements"). They do not include all the information required for a complete set of financial statements prepared in accordance with IFRS Standards. However, selected explanatory notes are included to explain events and transactions that are significant to an understanding of the changes in the Company's financial position and performance since the last annual financial statements as at and for the year ended 31 December 2025.

This condensed interim financial information was authorized for issue by the Company's Board of Directors on 13 May 2026.

3 USE OF ESTIMATES AND JUDGEMENTS

The preparation of the condensed interim financial information requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expense. Actual results may differ from these estimates. In preparing this condensed interim financial information, the significant judgements made by the management in applying the Company's accounting policies and the key sources of estimation uncertainty were the same as those that applied to the financial statements as at and for the year ended 31 December 2025.

4 MATERIAL ACCOUNTING POLICIES

The accounting policies applied in this condensed interim financial information are the same as those applied in the Company's audited financial statements as at and for the year ended 31 December 2025 unless otherwise stated.

5 FINANCIAL RISK MANAGEMENT

The Company's financial risk management objectives and policies are consistent with those disclosed in the audited financial statements for the year ended 31 December 2025.

6 NEW STANDARDS, AMENDMENT TO STANDARDS AND INTERPRETATIONS

There are no new standards issued, however, there are a number of amendments to standards which are effective from 1 January 2026 and have been explained in the audited financial statements for the year ended 31 December 2025, but they did not have a material effect on the Company's condensed interim financial information.

7 SEASONALITY

The interim net profit for the three months period ended 31 March 2026 may not represent a proportionate share of the annual net profit or loss due to the nature of the Company's activities and timing of the receipt of dividend and investment income

8 EARNINGS PER SHARE

12 FAIR VALUE OF FINANCIAL INSTRUMENTS

Fair value is the price that would be received to sell an asset or paid to transfer liability in an ordinary transaction between market participant at the measurement date in the principle or, in its absence, the most advantageous market to which the Company has access at that date. The fair value of a liability reflects its non-performance risk.

The table below sets out the Company's classification of each class of financial assets and liabilities, and their fair values.

13 FAIR VALUE HIERARCHY

The fair values of financial assets and financial liabilities that are traded in active markets are based on quoted market prices or dealer price quotations. For all other financial instruments, the Company determines fair values using other valuation techniques.

For financial instruments that trade infrequently and have little price transparency, fair value is less objective, and requires varying degrees of judgment depending on liquidity, concentration, uncertainty of market factors, pricing assumptions and other risks affecting the specific instrument.

The Company measures fair values using the following fair value hierarchy that reflects the significance of the inputs used in making the measurements:

- **Level 1:** quoted prices (unadjusted) in active markets for identical assets and liabilities.
- **Level 2:** inputs other than quoted prices included within Level 1 that are observable either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- **Level 3:** inputs that are unobservable. This category includes all instruments for which the valuation technique includes inputs not based on observable data and the unobservable inputs have a significant effect on the instrument's valuation.

This hierarchy requires the use of observable market data when available. The Company considers relevant and observable market prices in its valuations where possible.

13 FAIR VALUE HIERARCHY (continued)

Fair value represents the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. Underlying the definition of fair value is the presumption that the Company is a going concern without any intention or requirement to curtail materially the scale of its operation or to undertake a transaction on adverse terms.

The carrying amount of the Company's other financial assets and liabilities approximate their fair values due to their short-term nature.

14 IMPACT OF RECENT GEOPOLITICAL EVENTS

During the three-month period ended 31 March 2026, geopolitical tensions in the region have escalated, resulting in heightened instability and uncertainty in the region, including Bahrain. These developments led to significant disruption to regional, including the temporary closure of Bahrain International Airport and the Strait of Hormuz during the quarter. During this period, one of company's factories was subject to projectile attack resulting some damages and temporary disruption of operations.

The closure of the airport and Strait of Hormuz resulted in a disruption to the supply chain of the eggs for the hatchery and feedstock. The management of the Company is exploring new sources and channels for raw material supply, which may result in higher production costs in the future.

Management has assessed the impact of these developments on the Company's financial position, performance and liquidity as at the reporting date. While the conflict-related disruptions had impacted on the operations during the quarter, the Company continues to operate its operations and meet its financial obligations as they fall due. No impairment indicators were identified for non-financial assets as at 31 March 2026 as a result of these events.

The duration of the heightened geopolitical tensions and any further impact on regional trade flows remain uncertain. Management continues to monitor developments closely and will assess the need for additional disclosures or accounting adjustments in future reporting periods as more information becomes available.

15 COMPARATIVE

The comparative figures have been regrouped where necessary, in order to conform to the current year presentation. The regrouping did not affect previously reported profit for the year or total equity of the Company.
